Paul Maher, Deputy Principal – Catholic Identity

The Galen Commencement Mass was a beautiful celebration with which to start the 2011 school year. Having the Year Seven's process in at the beginning of mass was a very appropriate way to welcome them to Galen College. By holding the celebration much earlier this year it also enabled us to begin our journey together in a very thoughtful, prayerful and respectful way.

Monsignor White led us in the celebration and left us with the message that to achieve our dreams we should understand that we are not alone and that if “we put our hands into the hands of god”, He is with us on our journey and our dreams can come alive.

The Assembly was also a grand occasion where we applauded the efforts of those students of 2010 who achieved great results and also presented this years SRC students and Sports captains. The entertaining items provided by the Concert Band, the Choir and the Galen band – “The Climb” made for a vibrant assembly that was enjoyed by all.

From the Principal
Dear Parents and Guardians,

Year 7 & Year 12 special events
Thank you to those of you with children in Year 7 or Year 12 who attended the Year 7 Parent Information Afternoon and the Year 12 Jumper Presentation Night, both held on 16 of February.

The Junior Library was packed to the proverbial rafters with happy Year 7 students, their parents and their siblings. The overwhelming response from parents was that the Year 7s have had a happy and very settled transition so far. I believe this is a credit both to Galen, to the families and to the primary schools from which the students have come.

Later that evening, we celebrated the achievements of last year’s VCE high flyers with awards for those achieving the highest study scores in each subject, plus a special acknowledgement of the 2010 Dux, Adele Marum, whose ATAR of 99.3 put her in the top 0.5% of all students across Victoria. At the same event, this year’s Year 12s were presented with their unique school jumpers as a symbol of their status as the most senior students at Galen. The ceremony this year was held in the Wangaratta Performing Arts Centre, which provide an excellent forum for this dignified and joyful celebration. Turn to page 4 for a full list of award winners and to page 8 to see photos from the event.

Congratulations also to the Year 12 students for their excellent participation in their Retreats the previous week. The level of engagement from both groups was exemplary. Thanks also to the staff, led by Deputy Principal, Mr Paul Maher, for their involvement and for giving so freely of their time for the three day retreats.

Coming up
At the time of writing this report the Swimming Sports and the Welcome Mass have yet to be held, but by the time you receive the newsletter they will have passed already. There has been a great deal of detailed planning by the Sport Coordinator, Mr Zac Fulford, and his team for the swimming sports, and we thank them sincerely for this. After this year’s event, we will be reviewing both the voluntary nature and the timing (i.e. twilight) of the swimming sports.

Our Welcome Mass will be celebrated by Monsignor White with a new configuration of seating and positioning of the altar. The Mass itself will also be separated from the other celebrations including concert band and choir performances which will be held later in the morning. Thanks again to all those staff involved in the planning for all aspects of this day’s events.

Board
The Galen Catholic College Board has already held its first meeting for the year. The Annual General Meeting of the Board will be held on Thursday 28 April. There are three parent vacancies to be filled this year as Tony Lane, John Byrne and Joanne Ryan all reach the end of their terms of appointment. Under the terms of the constitution, John Byrne and Joanne Ryan are both eligible to re-nominate but Tony Lane has served the maximum consecutive time permitted for an elected representative. The procedures for nominating parents for the Board are included further in the newsletter, along with key dates for the process.

Staff members, Terry Magree and Paul Walker, will also complete their term this year, both having served two consecutive terms and therefore not eligible for re-appointment this year.

I would like to thank those members of the Board for the service they have given over the past years. Membership of the Board is a voluntary activity for these members and Galen Catholic College is very grateful for the time and expertise they have provided.

Reminder of 15 March as pupil free day
As notified in the first newsletter this year, 15 March will be a pupil-free day as all our staff will be visiting schools throughout Victoria to observe and research high quality current practice around pastoral care & wellbeing approaches, learning & teaching practices, curriculum structure, leadership structure and contemporary learning spaces.

Macbook rollout
The much anticipated rollout of Macbook laptop computers starts next week with our Year 9 students. Please remember that no student will receive a laptop unless they and at least one parent have attended a compulsory information session. Letters detailing the process will be sent home with each student outlining the times and dates of the compulsory sessions. There will be three evenings available per year level, so please check the dates and times in the letter with your son/daughter to ensure s/he receives a laptop along with the rest of the year level. This is a massive monetary and educational commitment by Galen and we want the process to be as family-friendly as possible.

Hopefully Year 7 students take the opportunity at lunchtime to be involved in the program and socially mix with students from other homerooms and with their leaders.

It has been an extremely busy and productive fortnight in the Junior School. The year 7 students have settled very well into the Galen College community. We had the exciting Yr 7 Homeroom S.R.C elections, see page 6 for a full list.

The inter-homeroom competition started last week with the tennis challenge proving to be very popular. Every lunch-time has seen large numbers of Year 7s either playing or supporting their class mates. As I write this article 7/2 are preparing to play against 7/6 in the grand final.

Middle School News
Keith Willett, Middle School Director

At this early stage of the semester it is great to report that we have had a productive, positive beginning to the academic year. Teacher feedback has indicated that students are working effectively in each of the different subjects. I would like to remind parents of the supervised study/homework afternoons that take place each Wednesday from 3.45 pm to 5.00 pm in the Senior Library. This is a great opportunity for students to receive assistance from staff with respect to their homework and general academic workload.

The Year 9 Discovery students are busy getting ready for their bushwalks which take place during weeks 7, 8 and 9. These bushwalks are a highlight of the Year 9 calendar and we encourage parents to liaise with their son or daughter as they organize for these bushwalks.

Year 10 students are currently thinking about Work Experience which takes place in Week 8 of Term 2. We encourage parents to talk with their son or daughter about positions that they may be interested in so that potential employers can be approached as soon as possible. In upcoming weeks Mr. Rob Walker will be organizing students as to their obligations with Work Experience.

Education Maintenance Allowance for 2011
Mr Domenic Giannone, Business Manager

The Education Maintenance Allowance (EMA) is provided to assist eligible families with the costs associated with the education of their children. To be eligible for receipt of the EMA you must:

- be either a parent or guardian of a primary or secondary school student up to the age of sixteen; and
- be an eligible beneficiary of a Centrepay pension, allowance or benefit within the meaning of the State Concessions Act 2004
- or be a Veterans Affairs (TPI) pensioner or a foster parent.

Consequently parents/guardians are able to access the EMA if they have a valid Health Care Card or valid Pension Card.

The eligibility criteria must be met as at the first day of Term 1 (1 February 2011 which is the first day for teaching staff) and Term 3 (18 July 2011).

The EMA application must be submitted to the school by 28 February 2011 for the first installment and 5 August 2011 for the second installment.

The EMA provides an annual amount of $460 for secondary students and is paid in two installments. This amount is split evenly between the parents/guardians and the school. Students turning 16 years in 2011 will be paid on a pro rata basis.

Parents with continuing eligibility, who are paid the first installment of 2011 through this school will not be required to complete a new application for the second installment. Parents who transfer children to another school after 28 February 2011 and prior to or on 5 August 2011, must reapply at the new school for the second installment.

Host Families Needed
Franco Cudini, LOTE Coordinator

Galen now has a student exchange policy and it will soon be available on the school’s site. There are many exchange agencies recruiting host families via advertisements in the media and also approaching schools for placements. However, the reality is that each school, depending on its resources, will have its own limitations on the number of places that it can make available. For 2011, Galen has made available approximately 10 short term (8/10 weeks) places for exchange students. These places have already been allocated to three exchange agencies and individual requests from Galen parents.

We are now asking any family who may be thinking of hosting an overseas student to register their interest by calling the school office (and not responding to advertisements or approaches by private agencies and then approaching the school). In order to avoid disappointment and placing undue pressure on the school, we ask parents not to commit to hosting an exchange student without consulting with the school first. Parents are encouraged to be part of the Galen College Host Family Register. Please contact me for more information.

Hairdressing at Galen

After refurbishing a room over the summer break Galen is offering for the first time in its new salon Certificate II Hairdressing. Certificate II Hairdressing is for students who aim to gain employment as a hairdressing salon assistant or hairdressing receptionist. It will also assist students in gaining employment as a hairdressing apprentice. The course provides students with an overview of the hairdressing industry, some practical skills in hairdressing and the chance to do work experience in a hairdressing salon. We have a full class for 2011 and are looking forward to increasing the numbers for next year!

Student Drop Off
Parents are asked to use Park Lane to drop students off each morning. Please be aware that the car park at the end of the main driveway (off College Street) is not a student drop off zone.

**Marine Studies Excursion**

Last week, the Year 11 Outdoor and Environmental Studies Unit One (OESU) class spent three days on the Bellarine Peninsula, south-east of Geelong.

The group utilised the expertise of the Queenscliff Marine Education Centre staff to learn more about the biodiversity of our southern ocean and issues caused by human interactions such as Port Phillip Bay dredging, urbanisation along coastal areas and climate change induced sea level rising.

A boat cruise to the marine parks near Port Phillip Bay Heads allowed the class to witness dolphins, seals and smaller marine creatures after taking samples from grass beds near Swan Island. Other highlights included learning to surf at Ocean Grove and Jan Juc, and snorkeling at Jarasite Reef, south of Bell’s Beach.

**Reflections, page 7**
The annual VCE Jumper Presentation night officially welcomed the Year 12s in to their final year at the college and honoured a large number of VCE award winners for 2010*. College Captains for 2011, Candace O’Keefe and Henry Dayman were both extremely pleased and proud to be given the opportunity to represent Galen as student leaders this year.

“For the VCE students, receiving the jumpers is a real milestone,” said Henry. “We all feel proud to be representing the school and acting as leaders and role models for younger students.”

According to Candace, there is a general atmosphere of enthusiasm and apprehension amongst the Year 12s. “We are all nervous, but excited also and feel reassured by the supportive nature of our school.”
