Year 12’s Dressed for Success!

Above: Year 12 students celebrated their final Friday at school in style on the 19th of October.
Dear Parents and Guardians,

It is always pleasing to welcome parents along to school events. Last week it was quite special to so many proud family members at our Year 12 Farewell Assembly where our most senior students formally completed their secondary education and bid farewell to Galen. A wonderful celebratory spirit was evident - the speeches, musical items and formalities were both enjoyable and respectful. The morning tea that followed allowed parents, teachers and students to gather, chat, laugh and, quite often, express their mutual gratitude to each other.

On Thursday the students will sit their first exams and our thoughts are with them and their families.

Last Friday was World Teachers Day. Our staff celebrated with morning tea and were most appreciative of the personal card and gift from the Parents Association.

Teachers give so much of themselves to provide the best possible guidance they can to their students and simple gestures of recognition and appreciation are always encouraging.

Thank you parents, well done teachers and future blessings and good fortune to the ‘Class of 2012’.

Best wishes,
Geoff Welch
- Acting Principal

---

Graduation Evening Thursday 22 Nov
Tickets are $35 per person and are available at the College Office.
- Doors open 7.00pm for a 7.30pm start.
- Dress Formal • Alcohol free event

Many of the Year 11 students doing a Unit 3/4 exam have been to see me to organize taking a study day the day before their exam. Any students in this category who have not done so yet, need to see Mr Grogan to discuss arrangements for this. Once in place they need to communicate the time which will be missed with their subject teachers.

Important dates for Year 11
Student free day: Nov 5
Year 11 SWOT VAC: Nov 15 & 16
Year 11 Exams: Nov 19 – 23
Year 12 (2013) Headstart Program: Nov 26 – 30
Year 11 Final Day: Nov 30
Holiday and Festival Asthma Trigger Warning

The upcoming holiday season and festivities planned during Term 4 and throughout the summer holidays may mean that your child is exposed to new triggers for their asthma. It is important for parents and carers, and children themselves, to be aware of changes to their environment and the activities that may impact on their asthma.

Christmas trees, both real and artificial could be triggers for people with asthma. Artificial trees may be quite dusty after being stored away, while both real and artificial trees may harbour mould. It is important to ensure that artificial trees are cleaned appropriately and that care is taken to select real trees that do not produce wind-borne pollen. All tree and other decorations should cleaned and free from dust and mould when used at home.

Scented candles, room deodorisers and air fresheners may also trigger asthma in those susceptible to perfumes, and care should be taken when purchasing these and other scented items at home.

Lastly, the added pressures of the year drawing to a close can cause stress and anxiety for many people, potentially triggering asthma attacks. It is important to consider ways that the whole family can enjoy the holidays and feel safe, happy, and comfortable.

Happy Holidays from The Asthma Foundation of Victoria.

For further information, please contact the Asthma Foundation of Victoria on 1800 645 130 or email: schools@asthma.org.au
Last Wednesday, five Galen students went to Benalla with their Indonesian teacher Miss Cail, Lucy and the Indonesian assistant Ibu Anne, to participate in a conference that celebrated learning a second language. There were students from all over the region from prep through to Year 10. We got to watch several different acts across three different languages, Indonesian, Japanese, and Italian. There were dances, songs, skits, poetry and speeches. We were also lucky enough to witness the Ghanian dance troupe from Melbourne, perform traditional African dances. It was a fantastic opportunity and we all gained valuable experience from participating. It was good to see the enthusiasm from all the students and to learn about the importance of learning a second language.

Parents and students are reminded that the annual Year 9 Adventure Camps for all Year 9 students will take place on the following dates:
- Year 9.1 and 9.2 Wed Nov 14th to Friday Nov 16th
- Year 9.3 and 9.4 Mon Nov 19th to Wed Nov 21st
- Year 9.5 and 9.6 Wed Nov 21st to Fri Nov 23rd

Note that Wed 21st is a ‘cross over’ day hence the involvement of 4 homeroom groups.

Students of Year 10 are required to carefully read the following information in relation to the upcoming Year 10 exams. Year 10 exam week is Week 7 of Term 4. Monday and Tuesday November 19th and 20th will be normal classes. Exams are scheduled as outlined on the exam timetable. Friday 23rd November is effectively the last day of Year 10. Students will begin Headstart the following Monday November 26th.

The NOVEMBER exam timetable is attached in this newsletter. Please note your exam dates and prepare a revision schedule that will assist you to achieve your best possible results in the exams. It is important that you complete all revision sheets prepared by your subject teacher. The following exam guidelines must be strictly adhered to by all students sitting exams. Students:
- are only permitted to bring authorised equipment into the examination room. Check with each of your subject teachers to determine what you are allowed to take into each exam.
- enter the examination room under the direction of the exam supervisors.
- please ensure that mobile phones, ipods, etc. brought into the exam room are placed on a table for collection at the completion of the examination.
- need to seek permission for toilet breaks.
- may bring a clear drink container of water into the examination room.
- must not communicate with anyone once they have entered the examination room.
- not complying with the above expectations will be asked to leave the examination room and will forfeit the right to complete their examination paper.
- may not leave the exam early.

My name is Allison Taylor and I’m a current Year 12 student. I will be representing Wangaratta in the Victorian Pilgrim group attending the 2013 World Youth Day in Rio de Janeiro, Brazil.

What is WYD? It is an international gathering of young Catholics who meet with the Pope every 2-3 years. It began in 1984 when Pope John Paul II called the youth of the world to Rome.

Where has WYD been held? Last year Madrid held the celebrations that saw 1.5 million people attend the papal mass. Some may remember that Australia was fortunate to host WYD in Sydney in 2008.

When is it? From 23rd to the 28th of July 2013

With the support of the parish, the school and my parents I will be going to WYD in Rio. I am so grateful that I am going to have the opportunity to attend! It is going to be an incredible, faith-filled experience for myself and the other youth attending from around the world.

The total cost will be $5000, which I am going to be fundraising towards. I will be very appreciative of all contributions made. I understand there are always a lot of worthy causes requesting donations. If anyone would like to make personal donation, this can be done at the School Office or through contacting me via phone or email.

On November 23rd I will be holding a Trivia Night for young people in Wangaratta and its surrounds, at Galen. The flyer, with all the relevant information, is attached in this newsletter. This is a great opportunity for teens to test their knowledge in competition with their friends, competing for some great prizes and having heaps of fun!

If anyone is interested in finding out more about the fundraising events, World Youth Day itself or anything else don’t hesitate to contact me. I am always very excited to talk to people about it!

Email: Allison.Taylor@galen.vic.edu.au
Wise Words from Wellbeing
Therese Rodway - Wellbeing & Pastoral Care

Bullying and Restorative Practice
At Galen College we are proud to say that kids feel safe. However there are times when extra assistance and support is needed when it comes to bullying and conflict resolution. The wellbeing team, alongside Gerard Sullivan (who has been training staff on restorative practice) believe that the Galen Community can work through issues of bullying and conflict using restorative processes. The restorative process seeks to be kind and fair, never harm another by thought, word, or deed. Be honest (tell the truth), always help each other, treat others as you would like to be treated and forgive.

We realise that in order for relationships to change and grow, we must address the root causes of harmful behaviour rather then reacting to the symptoms. We know that harm goes beyond the victim and wrongdoer but affects the whole school community. By becoming a safer, supportive and attentive school, our students will continue to feel safe, integrate into school, and find meaningful and creative ways of responding to wrong doing.

Family Assistance
If there is a family at Galen in need of assistance due to financial difficulties, unemployment or any other form of hardship please contact Therese Rodway in Wellbeing on: 5721 6322 and she will put you in touch with some support, whether that be assistance with telephone, gas, and electricity accounts, counseling or food. We know families are doing it tough, and wish to connect you with suitable support! Your call will be handled with confidentiality and respect.

Important Dates
Koorie Kids Playgroup each Thursday in Term 4 at 11am at King George Gardens. All members of the family welcome. Morning Tea and activity packs for kids provided. There will be story time with Aunty Sakina and Uncle Chris. Call Marie for more information 5721 2000.

Arts & Technology Exhibition
On Tuesday the 16th of October, the Arts were well and truly alive at Galen College. This was a wonderful night showcasing the extraordinary talent of our VCE students. The exhibition included work from Studio Art, Visual Communication & Design, Music Performance, Theatre Studies, Hospitality, Food Technology, Media Studies along with Materials & Technology. The exhibition also featured work from students in Years 7-10. Espresso on Ovens catered and we were privileged to have two successful artists speak at the opening, Mr George Piercy (from the Muse Gallery Milawa) and artist Damian Mitchell who journeyed from Melbourne. I am sure that all those who attended, left the school both impressed and well entertained.

ARTS AWARDS
On Tuesday I had the great privilege of presenting a number of awards given by the Arts Domain at the Year 12 Farewell Assembly.

PERFORMING ARTS AWARD: This award recognises a student who has participated, contributed, displayed leadership qualities and excelled in Drama classes, Music classes, College Productions, School liturgies and other extra-curricular activities. This year there were two very worthy recipients who contributed greatly to our Drama and Music Programs. Des Flanagan and Sarah Pitcher received these awards.

THE MUSIC AWARD: This award recognizes contributions to the Senior Band and Junior bands, musicianship, punctuality, contributions to tours and liturgies. This year the winner of the Music Award was Katie Faithfull.

The best-exhibited Piece from the Arts Exhibition: This year we created a new award for the best-exhibited piece at the Exhibition. Billy Sullivan’s excellent media presentation called ‘No Chance’ won this award and was shown at the assembly to a very appreciative crowd.

THE ARTS ACQUISITION AWARD: Each year the Arts Department purchases a piece of work from the exhibition to display at Galen. Bethany Powell was the recipient of this award with her wonderful piece titled “Dream Cupboard”.

of talking to nearby cars in the world’s first and largest trial of a new intelligent transport system. Developed at La Trobe University’s Centre for Technology Infusion, watch their video, which shows that the new technology is designed to cut collisions between trains, cars and trucks at railway crossings: www.latrobe.edu.au/news/articles/2012/article/new-technology-set-to-save-lives

Interested in logistics? The Victorian Transport Association can assist you to secure a cadetship in logistics, work on the integration of information, transport, and handling of these materials to meet customer needs. You must be at least 18 years old, have completed Year 12 and either live or nearly have your drivers license. For more information, go to: www.vta.com.au

UPCOMING EVENTS

Science in the City: RMIT invites students and their parents to tour their start-of-the-art learning laboratories at the City Campus on Wednesday 21 November between 11am – 1pm. RMIT offer science courses in biology, biotechnology chemistry, physics, nanoscience, food science, nanotechnology, and physics. Please register at www.rmit.edu.au/appliedsciences/discover

Trinity Young Leaders Summer School: Trinity College at the University of Melbourne is running their annual intensive two-week residential program for talented students aged 14 – 17 years. Students will have the opportunity to engage in interactive teaching, excursions and group work which aim to develop skills in critical and creative thinking, teamwork, public speaking, communication etc. The program will run between 2 – 16 December. For more information, go to: www.trinity-unimelb.edu.au/young_leaders

Information Evenings at the University of Technology Sydney (UTS): Year 12 students and their parents are invited to attend information evenings at the university on either 19, 20 or 21 November. For more information and how to register, go to: http://datasearch2.uts.edu.au/undergraduate/events/detail.cf?ItemID=32983

Sports Development at AFL Sportsready: If you are passionate about sports and are interested in studying sports development, you should consider attending the AFL Sportsready Career and Course Information Evening on 31 October. For more information, go to: www.aflsportsready.com.au

Campion College Summer Program: Campion College is Australia’s only Liberal Arts College. They are running a week long summer program between 13 – 18 January 2012 designed to teach students going into years 11 and 12 study skills for School and University. You will also be able to undertake leadership training, explore your Catholic faith and sample undergraduate teaching in literature, history, philosophy and theology. For more information, go to: http://www.campion.edu.au

International Science School (ISS) – 2013 Program: Students who participate in the 2013 ISS, Nanoscience: Small Wonders, Big Future will be part of an exciting program which includes; an all-expenses paid opportunity to live on campus and experience the University of Sydney for two weeks; lectures by top international and Australian nanoscience experts such as Nobel prize-winning cosmologist Professor Brian Schmidt; and opportunities to develop new friendship with students from around the world. Applications open late October. Visit the ISS website for more information www.physics.usyd.edu.au/foundation/iss/iss_2013/index.shtml

Computer science summer camp: Year 11 and 12 students who love computer science have the opportunity to attend the National Computer Science School (NCSS) 10-day intensive computer science summer camp. NCSS is about challenging students to think like computer scientists as they learn to program robots and develop social networking applications. Participants will also visit companies like Google and Macquarie Group and meet industry professionals, lecturers and student mentors. The 2013 NCSS will run from 5 – 14 January. Applications are now open and interested students can register at www.ncss.edu.au/summer_school/applications.html

Brighton Graduate Exhibition: If you are interested in art, design and photography, you should consider attending the Brighton Bay Graduate Exhibition ‘STICKY’, which will open on Friday 9 November 6 - 8pm at Brightspace, 8 Martin Street, St Kilda. For more information, go to: www.brightonbay.net/blog/12-exhibition

VOCATIONAL AND HIGHER EDUCATIONAL NEWS

New careers: How to thrive in the 21st century. The editors of COSMOS have developed a guide for students covering a wide range of career areas. Kick Start Your Career shares inspiring real life stories from graduates, reviews major career growth areas for jobs of tomorrow and shows you how to gain critical skills to forge your pathway to the future. To download your free guide, go to: www.cosmosmagazine.com/kickstart

New videos for parents: La Trobe University has developed a series of videos for parents. You will be able to learn what anATAR is, how subject selection can influence your choices, what is meant by ‘middle band’ and pathways. Go to: http://www.latrobe.edu.au/all-ways/information-for-parents

Confused about your career and course options? La Trobe University has developed the ‘Career Architect’. You answer a series of online questions and a free report will be generated, with career suggestions that match your personality type. Go to: http://latrobe.custhelp.com/ci/documents/detail/2/a2012

Melbourne ranks number 1 in Australia, number 28 in the world: The University of Melbourne is now ranked 28th in the world and number one in Australia in the Times Higher Education (THE) World University Rankings. The university is also ranked number two in the Asia region. www.futurestudents.unimelb.edu.au/explore/about/ reputation-rankings

University of Technology Sydney Law: is pleased to announce a suite of progressive new subjects that address emerging areas of the law. Subjects include: Mining and the Law, Commercial Trade and Transport Law, Building and Construction Law and Intellectual Property Commercialisation. They also offer over $190,000 worth of scholarships to students annually, including the Law Equity Scholarship valued at $20,000. For more information, go to http://datasearch2.uts.edu.au/law/scholarships/futurecfm

Technology set to save lives: Australian commuters have been riding the first trains capable of
Year 9 & 10 Hume Cricket

On Thursday the 10th of October the Year 9 and 10 boys cricket team headed to the Hume region semi finals to face off in a 20-20 with Victory Lutheran College from Wodonga. After captains for the day Ben Talarico and Dylan Landgren won the toss and elected to bat, Talarico sent himself and Pat Eefting in to open. The opening bowling attack from victory restricted the run rate in the opening over’s with Galen only 2 for 20 after 5 over’s with Ben Talerico and Dylan Westra falling for 2 and 5 respectively. However some steady batting from Pat Eefting (9 runs), Dylan Syres (8 runs), Lachlan Busk (10 runs) and Matt Thrum (22 runs). At the end of the innings Galen had amassed 95 runs.

Dylan Landgren opened the bowling and kept the runs down before Pat Eefting, Lachlan Busk and Ash O’Leary stepped up and tore a hole through the Victory batting line up. With the rain and hail moving in, the last 5 over’s of the match were played in poor conditions. However Galen held on to win by 35 runs.

This meant that they had to travel down the road to the Barr reserve and face Wangaratta High School in the local derby. Due to poor conditions the game was shortened to 8 over’s of batting each to try and get a result in case of more rain, with the chance of a 2nd innings of a further 8 over’s, if the weather held off.

After losing the toss we were sent out into the field where we kept the High school to 2 for 18 after 4 over’s but unfortunately it unravelled from there as one of the High School batsmen stepped up to the challenge and managed to revive the high schools innings and steered them to a solid 52. Wickets were taken by Lachie Busk, Luke Whitten, Harry Payne and Matthew Thrum.

It was then our turn to bat with Ben Talarico and Pat Eefting opening the batting again, however Talerico fell for 1 with Matt Thrum stepping up to face the strong bowling attack of the High. Pat Eefting then lifted the run rate by belting 3 straight 4’s before being dismissed for 25. The other main run scorers were Matt Thrum (13 runs), Luke Whitten (11 runs) and Lachie Busk (10 runs). However we fell short by 5 runs but played solid cricket all day.

A big thank you to Mr Williet for taking the time to coach the team and also to Miss Bilke for taking the time to organise all the permission forms and equipment required.

Written by Michael McKenzie

Yr 7 Boys Basketball

Congratulations to the Year 7 boys basketball team who recently won the Hume Region Championships. The boys played against schools from Shepparton, Mansfield and Bright. In the final round they won a very close game against Notre Dame, Shepparton to qualify for the State Championships which will be held in Melbourne at the end of November. All the boys played well, but Jack Jenkin was the standout player on the day. Good luck to the boys at States! Thanks to Jacqui Pengelly for coaching.

Yr 12 Sport Awards

The sports awards for Year 12 students were presented at their graduation assembly.

This year’s winners were:

- Netballer of the Year – Kate Clark
- Footballer of the Year – James Smith
- Athlete of the Year – James Smith
- Swimmers of the Year – Michael Naughtin and Chris Traill
- Female Sport Star of the Year – Kayla Grassi
- Male Sport Star of the Year – James Smith

Congratulations to all these worthy recipients!

State Athletic Championships

Congratulations to all students who competed in the School Sport Victoria State Athletic Championships in Melbourne on 23rd October.

Ned Penny’s (Year 7) great form continued when he blitzed the field in the 800m, winning gold by more than 6 seconds. Well done Ned! Zac Laffy came second in the Javelin with a throw of 44.50m. He also placed 5th in the hurdles and discus. Josh Ismale finished 12th in the 1500m, whilst Sarah Lockwood and Harrison Berenger both placed 6th in the high jump and 800m respectively.

Congratulations to all these students for qualifying to compete at such a high level, and for their great performances on the day. Thanks must go to their parents who accompanied them on the day.
Galen phone app on the way!

Over the past few weeks Galen has been working to develop a phone app which will assist parents in keeping up to date with all that is happening at the College.

With our app you’ll be able to access the latest newsletters, events, lunch menu, gallery and much more. Parents will also be able to send absentee notices and emails via the push of a button!

If you can never remember where or what time an event will be happening at the College, don’t despair! You’ll be able to have it all at the tip of your fingers with our handy app.

The Galen app is currently in its development phase, but will be available for use in the near future.

When the app goes live, parents will be able to download the app via the Apple store and it will also be Android compatible for users of other smartphones.

More information will be published about our handy new app closer to release date. So keep your eye on Reflections and stay tuned!

Italian Excursion to Melbourne

On Wednesday October 24th the two Year 10 Italian classes, accompanied by Mr Benedetti and Mr Magree went on a cultural excursion to the Italian Museum in Faraday Street in Carlton and spent some time researching ways in which Italian migrants contributed to Australian culture, particularly in the Carlton area. Students found the day interesting, fruitful and enjoyable and took the opportunity to savour some of the gastronomic delights on offer in Lygon Street. The following are a couple of the observations made by students: “Some of the things brought to Australia by migrants were different to what we would take now.”

“The stories of migration to Australia were interesting.”

“We had some great recreational time and indulged in lovely Italian cuisine.”

Whilst at the museum students participated in an activity that involved looking at real examples of what some well-known migrants had brought in their suitcases. These included photos, documents, tools and memorabilia. Amongst the migrants studied were Nino Borsari, the Olympic cyclist and Tiberio Donnini whose pasta making business is still in operation.

Who’s Who at Galen

Leadership Team

- Bernard Neal : Principal
- Geoff Welch : Deputy Principal—Staff & Students
- Darren Hovey : Deputy Principal – Teaching & Learning
- Gerard Sullivan : Deputy Principal – Catholic Identity
