The Year 10 Formal was held on Tuesday 13th September, at St Pat’s Hall. The students had dancing lessons during their P.E sessions in preparation for the evening.

The live band, Scott & Amanda entertained the Year 10’s impressing the group with a huge range of songs.

Thanks to John Perri from Occasion Studios for taking group and individual photos throughout the evening.

Thank you to all the parents, guardians and family members who attended at the beginning of the evening. It was lovely to see so much support and interest.

Olivia Gourley (10.6) was voted the ‘Belle of the Ball’ & Carl Lucani (10.3) the ‘Smoothest Male Dancer.’ Special mention was made to William Keenan (10.6) who looked very stylish in his white suit.

Thank you to those Students who formed the Year 10 Formal Committee – Emily Maher, Rachelle Van Aken, Rebecca King, Sammi O’Brien, Belle Culhane, Bridgette Byrne, Zoe Levesque, Gabriella Tonini and Maika Kamiyama.

Dear Parents and Guardians,

The end of another busy term is upon us. As with most things in life, this will mean different things for different students and their families. For most it will mean a break from the demands and routine of daily school and provide a bit of respite.

For those students in Year 12 it heralds their final term holidays from school. With only three weeks of classes remaining for not only this year but also for their entire school careers, they have reached the really pointy end of secondary education. In two months time they will be former Galen Collegians with their final SACs, assignments, work placements and exams behind them.

For these students the term holidays represent the start of their final assault to ensure that they enter the next phase of their young lives having done their best and been their best and achieved their best. The best advice I heard for Year 12 students as they enter the final holidays is to treat each day as if it were a school day. Get up at the normal time, work to the normal hours – i.e. start studying no later than 9.00am and go through to 3.30 with the normal break for morning tea and lunch. The late afternoon and evening is then yours to do with as you please: rest, recreate, get some exercise, or even do more study if you are up to it.

Parent teacher student interviews
On Thursday evening and Friday morning we have our parent-teacher-student interviews. By now, everyone will be aware that we have moved to a booking system for the interviews. Bookings can be made online or by making contact with the college. Please ensure that you have made a booking for any teacher you wish to see.

Good luck

The College Band is on tour to Canberra this week under the direction and supervision of our Music Director, Mr David Ashfield.

Our Year 9 students and a number of staff conclude the Year 9 bushwalk program this week.

Many of our Italian students will be participating in the annual Italian Camp along with students of Italian from quite a number of other schools in our region.

October 31
After very careful consideration, the Leadership Team has decided that Monday October 31 – the day before Melbourne Cup Day - will be a pupil free day. There will be no classes on this day. This will enable staff to prepare for the change in our end of year program with the implementation of the two week Headstart Program which will see all Years 7 – 11 students at school until Friday December 9. Melbourne Cup Day will be a public holiday and there will be no school on that day, Tuesday, November 1.

Steinway on Stage

Amy Faithfull is one of the two young pianists who will perform on the stage of the Wangaratta Performing Arts Centre on Wednesday, 5 October.

Amy will play some Grade 7 music exam and other pieces - works by Chopin, Debussy and more. The audience, also seated on the stage, is able to be up close to the magnificent Steinway grand piano.

The one hour recital commences at 6pm, and also includes Ignatius Corboy. Tickets are ($10, $8, $5 for children under 16).

For more information see www.wangarattapac.com.au.
Junior School News

Patrick Arcuri, Junior School Director

As we come to the conclusion of Term 3, may I remind students to make sure they are up to date with all work assessment tasks. Unfortunately there are a number of students in the Junior school who have already embraced the upcoming end of term and as a result have not been working to their full potential.

I highly recommend all parents and students attend the parent-teacher interviews on either the evening of Thursday 22nd September or the morning of Friday 23rd September. The parent-teacher interviews are an important format for feedback to be given to both parents and students. It is advisable that students attend with their interim reports and visit any teacher who has requested to speak with them.

Last Wednesday we had an extremely busy extended homeroom. Our Year 7 students displayed some outstanding musical and dance talents throughout the Year 7 Inter-homeroom Talent Quest. Our judging panel consisted of Vice Principal Mr. Geoff Welch, Production Co-Ordinator Mrs. Julie Nolan and Junior School Officer Vicky Bennett. The Year 7 cohort amazed all of the judges with their courage and talent on display. The following students represented their homeroom:

Congratulations to Will & Zoe from 7/8 who wowed the crowd and judges with their duet to finish in first position. 7/1 also did a fantastic rendition of Adele’s ‘Someone Like You’ to finish in second position.

Congratulations to 8/5 for winning the Year 8 Inter-homeroom Basketball competition. 8/2 finished in second position followed by 8/6 in third position.

Our Year 8 students were also involved in the Year 8 Inter-homeroom Essay Writing Competition last Wednesday in the Junior Resource Centre. Well done to all students involved in this rewarding activity. Mrs. Anne O’Dwyer (English Convener) will be grading the arguments to determine the winners.

A Little Language goes a long way!

Christine Duff, English Language Teacher

For a new subject English Language sure gets around. Last Monday the English Language students visited a local child care centre to study child language acquisition. How children learn to speak and connect the sounds they make with meanings to make sense of the world around them is a field of study in linguistics that is still being hotly debated. This visit gave students a chance to observe first hand this phenomena. The students also got their first taste of the frustrations and joys of collecting raw data in the field. We learnt just how long it takes for a child under two years to “warm up” to talking and just how many attempts it takes to conduct a “wug test” to demonstrate a child’s ability to make plural endings. All the students found themselves very popular with the children who were all keen to talk to some new “big” people and lots of new friendships were made over the sandpit, lunch and games. Overall we all left with an enormous amount of admiration for the staff of the child care centre who must expend a huge amount of energy caring for their charges. Thank you to Homeroom 7.2 who fund raised money to assist Bailey Allen’s (10.3) recovery from her recent horse riding accident.

Bus Timetable Changes

Dear Students and Parents

As of Monday 10/10/2011, beginning of Term 3 there will be NO 3.55pm bus from Wangaratta High School to the Wangaratta town centre. This bus will now be covered by the 3.35pm bus that leaves from the very front bay at Wangaratta High School. This bus will also pick up Galen College students at 3.30pm at the front of the College (Phillipsion St bus stop).

This will allow students to get into town without having to wait for the later bus and any student that needs to get to work can arrive in town at 3.45pm.

There will now be a 3.30pm bus from Galen College and a 3.35pm bus from Wangaratta High School straight into town. It will then express up Murdoch Road to Donavan Drive, Wenham’s Lane and Cribbes Road to drop off those students who live in those areas.

The 3.35pm bus from Galen and the 3.40pm bus from Wangaratta High School will still run as per normal, the first stop being Mason St at the Wangaratta Cemetery.

The 3.45pm bus from Galen and the 3.40pm bus from Wangaratta High School will still run as per normal, with the first stop still being in Perry St opposite kmart.

If you have any queries please don’t hesitate to contact me.

VCAL Excursion to Albury/Wodonga
Bridget Feehan VCAL Student

On Friday 2nd September 2011 the VCAL class went up to Albury/Wodonga to look at pizza oven and vegie garden. The pizza oven at Galen is going to be built near the Food Technology and LOTE rooms. We took a mini bus to Albury/Wodonga. We went on an excursion because we are building one at school. The weather was really nice and sunny.

When we got to Albury/Wodonga we went to a park for morning tea. We measured the pizza oven in Albury and we discussed the seating area. We went to Hovell Tree Park to look at Pizza oven. The park is nice and big.

At 11:00 we went to Gateway in Wodonga because we got to Hovell Park early. At 11:30 we got back on the bus and went to Wodonga West Primary School to have a look at their pizza oven and vegie garden. It took 15 minutes to get to Wodonga West Primary School. Their pizza oven is really good. They had a little vegie garden near the pizza oven. They had a big vegie garden near the back of the classrooms. It took up one to two acres in land. They have a worm farm which eats the food scraps. They also have chickens which eat the food scraps. They also have a kitchen where they cook things after it is ready to harvest. The worms and chickens eat the left-over food that the kids didn’t use.

There was one sculpture that was made out of bikes and it had two scary faces. They use recycle materials to create their gardens. When we were about to leave Jacob Carter said thank you to the Principal for letting us look at the pizza oven and vegie garden. We went to Oldies Creek Park for lunch. The playground got opened that day. It got a big playground. Bridget Feehan and Mr Hovey cooked lunch. We had a BBQ for lunch. Lunch was very nice. There was a balloon man that made frog for Kristine, a rainbow for Mr Hovey and a monkey. We thanked Bridget Feehan and Mr Hovey for cooking lunch.

Ms Duff didn’t come back on the bus with us. At 2:00 we got back on the bus and came back to school. Mr Walker drove the bus up to Albury/Wodonga. We thanked Leanne Carr, Mr Hovey and Mr Walker for coming on the excursion with us. It was home-time for us.

Junior Science Quiz Update

Carla Murphy, Junior Science Lab Technician

Quiz 19: Glaucoma affects what part of the human body?

Glaucoma affects the eye. The optic nerve at the back of the eye is slowly destroyed, which affects your vision. To learn more about Glaucoma, please visit http://www.glaucoma.org.au/what.htm

Congratulations to Lucy Tharratt and Jessica Spence, both of 7.4 for winning this week’s quiz. Both Lucy and Jessica sent through their answers at the same time. Congratulations ladies!

Great work 7.4, you had the most entrants this week!

Quiz 20: Humans have five senses. True or False?

False. In addition to the five traditional senses (sight, hearing, smell, touch and taste), humans also have a range of other senses, including thermoception (our ability to sense heat), equilibrioception (our sense of balance) and nociception (our ability to sense pain).

It was a tough question this week, with only a few people getting it correct. Congratulations to Zanthea Zwager of 7/3 for winning the quiz, an outstanding effort!

The highest number of entrants came from 7/4 this week. Top job!
