The Year 12 Retreat was a fantastic experience filled with lots of laughs and bonding. It was a time to reflect on our years at Galen and put forward our goals for 2014, both as individuals and as a whole year level. One of the goals made by the year 12 students was to create an overall theme for the whole school. After receiving many wonderful suggestions it was voted that the theme ‘Acceptance and Inclusion’ would be our focus for 2014. As the senior students of the school we aim to create a more accepting and inclusive Galen community where there is a stronger bond and connection between students across the year levels and teachers. We look forward to implementing this theme in a variety of ways and strive to make Galen a stronger community. In doing this we are excited to make the year as fun as possible, not only for the senior school but the whole school cohort.

Written by Annie Brien and Mindi Suter 2014 Student Leaders

The Galen College community would like to express their condolences to the McKenzie-McHarg family for the passing of Lloyd McKenzie-McHarg father of current Year 12 students Finn and Layla, and past students Sam, Siobhan and Mairead McKenzie-McHarg. Our support, thoughts and prayers are with the McKenzie-McHarg family.

**Attention Parents: EMA Financial Assistance Information**

The Education Maintenance Allowance (EMA) is provided by the Victorian Government to lower-income families to help with education-related costs. If you have a child under 16, and you hold a valid Health Care Card, Pension Card, or are a temporary foster parent, you may be eligible to receive the EMA. The allowance is paid in two instalments, one in March and one in August. The payment is intended to assist with education-related costs such as uniforms, excursions, textbooks, and stationery.

For more information, please refer to the EMA Application Form which can be downloaded from the Galen College website. The closing date for EMA applications is the 28 February 2014.

**Food Tasting - Yr 8 Indonesian**

This term in Year 8 Indonesian students are learning all about Indonesian foods. Throughout the term they will learn how to order food in Indonesian, read Indonesian recipes and they will even get to cook some traditional Indonesian dishes. On Tuesday 11th February students were given the opportunity to try several Indonesian foods. Below are some student comments from the day!

My favourite food was the Kopiko (coffee lollies) and the chilli sauce. My least favourite was the Rambutan (small red fruit) and the Longan (Indonesian fruit). The thing I enjoyed most about the Indonesian foods was getting to try new foods that I haven’t tried. I would really love doing this again. – Ella McCarthy

We had taste testing today in Indonesian. We tasted some fruits, chocolate, Indonesian coffee lollies and some other things. The chilli sauce was mild but very hot to most of the class. The chocolate ‘Pocky’ sticks, the coffee lollies and the mango tasted the best by far. – Cooper Verdon

I thoroughly enjoyed the Indonesian food tasting activity. My favourite foods were ‘Pocky’, Kopiko, Kerupuk and Sambal. They were very delicious and tasty. My least favourite foods were Papaya, Rambutan and Longan. Overall, the Indonesian food tasting was great and a fun experience for me. I tried many new foods I wouldn’t normally have tried without doing this experiment. I hope we do more activities like this in the future. – Billie Taylor

Some of the foods we tried today were really nice. My favourite was chocolate biscuits. My least favourite would be the paw-paw because it had a bad texture and tasted disgusting. What I enjoyed about the day is that it was fun and we got to try different foods. – Nathan Lau

Junior School News
Lauren Lee - Junior School Director

A big thank you to all of the parents who were able to attend the Year 7 open afternoon last week. It was fantastic to see so many of you there and we were glad to hear that your students are settling in well. Please remember that we are happy to hear from you if you have any concerns or if you have any positives that we should be aware of.

School uniform and hats have been very good and it has been great to have most parents follow up straight away when uniform infringement notes were sent home. Please remember that if there is an issue with uniform a note should be sent to the homeroom teacher explaining the issue and when it will be possible to rectify the situation.

Lastly a reminder to parents to have a conversation with your children about the importance of locking their lockers. The lockers are provided to allow students to store all personal items. Computers should also be stored in lockers at any time they are not being used. We have already had a few incidents where students have misplaced their computers and then been fairly stressed while trying to find them.

Junior Library News

The Junior Library has revamped the furniture in the research end of the library. Gone are the light green rectangular tables which have graced the library for the past 8 years, and in their place are bright primary colours in a crescent moon shape. The vibrant colours lift the library and the promote a cheerful learning environment. The unusual crescent shape allows the tables to be configured in endless arrangements – constantly altering the learning space. The response from the staff and students has been overwhelmingly positive.

“EDUCATION IN A THIRD WORLD COUNTRY IS NOT TRIVIAL”

Education in a third world country is not trivial. Come to our trivia night to make a difference to the lives of the children in Abafala village, Timor Leste.

For $10-$20 donated we can supply a child with a desk and chair that will make a real difference to their learning. Our group would like to be able to support the school children so that we improve their learning by providing resources, clean water and better hygiene.

We are looking for donations for prizes on the night if any parents are in a position to help out in this way. Please contact Jim Samon for more information.
Year 12 students began the year formally at the Wangaratta Performing Arts Centre, with their annual VCE/VCAL Jumper and Award Presentation evening last Wednesday.

Erin Linley a former Galen student (pictured right), as special guest speaker delivered an engaging speech. Her delivery was underpinned by the theme of curiosity and bravery and she encouraged all to be life-long learners. She impressed upon the students the importance of persistent hard work, the challenge of juggling many interests and the value of prioritizing these during the year and to appreciate the wonderfully fertile and nourishing community that Galen College provides.

Students were also encouraged to focus on the importance of supporting one another on their journey throughout the year.

Prior to the presentation of the jumpers, the VCE academic awards for 2013 were presented, including Dux for 2013, Sean Bartlett.

Additionally Eliza Honeybun received an award from Latrobe University for academic performance and contribution to the school community.

College Captains for 2014, were also officially announced.
Successful candidates Annie Brien and Lachie McKellar were both very honoured to be given the opportunity to represent Galen as student leaders this year.

The start to the year has been terrific. Students have been keen to embrace their studies and participated enthusiastically in the retreats held last week.

Year 11 students have received details about the upcoming Driver Education Camp conducted in Shepparton. It is important that the forms associated with this activity are completed and returned to school promptly please.

School Photos Notice

A reminder to all students & parents that it will be the official school photo day on Thursday 20th February. Students can either order their photo online using the special username and password (given to students on a personalized order form) or they can pay the photographer directly on the day.

The schedule for photo day will be as follows;
• Photographs will be taken in the Auditorium.
• Everyone will have their photo taken.
• Someone will come to your class when you are required.
• Please bring your Photo Package with you to the Auditorium.
• Don’t worry if you have forgotten this - you can sign a form in the Auditorium.

Timetable
Period 1 - Year 7
Period 2 - Year 8
Period 3 - Year 9
Period 4 - Year 10
Period 5 - Year 12 Photo, Yr 11
Period 6 - Tidy Up

This time table will not run perfectly. Do not panic if your class has not been called in the timetabled period - do not come to the Auditorium without being called. Year 12 students and staff can get their photo during the day when free and Year 11 students may drop in during recess and lunch.

Please remember: Summer uniform, be neat and tidy. Smile!

If students are absent on Thursday 20th February there will be a mop up photo day on Friday 21st February.

Opening Mass Notice

Yr 10, 11 & 12 Opening School Mass & Presentation Assembly – Tuesday 18th February

Galen parents and friends are invited and welcome to attend the Yr 10, 11 & 12 Opening School Mass & Presentation Assembly on Tuesday 18th February in the school stadium. The mass will commence at 10:00am and be delivered by Bishop Leslie Tomlinson. The schedule for Yr 10, 11 & 12 students will include;
• Period 1 - 9.00am – 9.40am
• Period 2 - 9.40am Mass
• Recess
• Period 3 - Presentation Assembly
• Period 4 - Normal timetable

The Yr 7, 8 & 9 Opening School Mass & Presentation Assembly will take place the following week on Tuesday 25th February.

Valentine’s Day Caritas Fundraiser

On Friday 14th February Galen was awash with over 240 red heart-shaped balloons. 8/6, Claire Knox (9/5) and Ms Howard arrived at the school early on Valentine’s Day to inflate over 240 with helium. During homeroom the students of 8/6 delivered the balloons across the school. Some balloons came with romantic messages and some were sent anonymously.

The students of 8/6 made a profit of $460 for Caritas, which ensured that the gift of a balloon goes beyond the lucky recipients at Galen. Congratulations goes to the students of 8/6 for their hard work in promoting the fundraiser and a big thank you goes to all who supported the fundraiser.
