

Galen Catholic College

2023 Uniform Policy & Price List

The uniform is a mark of identification with the College and the ideals for which it stands. Therefore it is expected that students will wear the uniform with pride. A uniform should be distinctive, yet comfortable. It should be clean, neat and in good repair - a student's self image is reflected in the way he or she dresses. By enrolling their child at Galen, parents undertake the responsibility of ensuring that the student is provided with all items of uniform and of ensuring that he or she is correctly dressed for all school occasions. All items of uniform are to be purchased from the College Uniform Shop. The following stipulations must be followed.

The Summer Uniform must be worn for Terms 1 & 4. Winter Uniform must be worn for Terms 2 & 3. (Unless under extreme changes in weather.) The tartan skirt and summer dress must be knee length. School shoes must be black, polishable, lace up shoes or T-bar shoes. No high-cut boots, sandals, or open, canvas, zip-up or suede shoes are acceptable. This is partly to maintain consistency and because of Health and Safety issues. Students must not wear coloured T-shirts or coloured long-sleeved skivvies under their uniform. Headbands should be narrow and either white or navy blue. School scarves must be purchased from the Uniform Shop. Acceptable jewellery is confined to watches, studs or sleepers, and small, simple earrings and necklaces. For OH & S reasons, there should be no bangles, chokers, wrist bands or dangly earrings. Facial piercings are not permitted. Only white coloured socks are acceptable as part of the uniform.

SunSmart Policy

As part of Galen's strategies to provide a safe school environment, and especially to increase awareness of skin cancer, staff and students are required to wear hats whenever they are outside in Terms 1 and 4. All students are required to wear Galen's Anti-Cancer Council approved Galen cap or bucket hat. Galen also encourages students, parents, teachers and other staff to wear protective clothing and sunscreen during high-risk

times such as lunch times, sports activities, camps and excursions. Students without hats will be restricted to designated shaded areas when they are outside. The school endeavours to provide adequate shade structures for students but students are also expected to make responsible decisions about sun protection. The school will ensure that school uniform and hats are available for purchase from the uniform store. Staff and students will be encouraged to wear sunscreen.

Girls

All items (excluding white socks) should be purchased from the College Uniform Shop. Please note that Summer Uniform must be worn for Terms 1 & 4. Winter Uniform must be worn for Terms 2 & 3. (Unless under extreme changes in weather.)

Boys

Sport Uniform

Galen's sport uniform is a unisex one designed for both comfort and durability. It also provides the freedom of movement students need in physical activity. Students are required to wear their college hats during Terms 1 and 4 when participating in outdoor PE and sport activities. Galen has an excellent reputation at sporting carnivals for the distinctive appearance of our teams. When representing Galen in sporting competitions, students are usually expected to wear the College Sport uniform. Exceptions include netball, football and swimming. Shoes should be proper athletic footwear, such as joggers, netball shoes etc. Black leather school shoes are not suitable. Sports uniform items are only available from the Uniform Shop.
