

# GALEN CATHOLIC COLLEGE

## PRELIMINARY SUBJECT SELECTION

# YEAR 9 - 2012

### INSTRUCTIONS FOR COMPLETING SELECTION SHEET

For planning purposes please list ELECTIVES you have studied in Year 8:

#### SEMESTER 1

\_\_\_\_\_

\_\_\_\_\_

LOTE: \_\_\_\_\_

#### SEMESTER 2

\_\_\_\_\_

\_\_\_\_\_

LOTE: \_\_\_\_\_

All students study Religious Education, English, Mathematics, Science, Health, Physical Education and Humanities for one Semester and will be allocated to these classes. In this semester students also study THREE elective units from the Arts, Humanities and Science / Technology areas.

In the other semester all students will participate in the Discovery program. The Discovery program comprises thematic units which integrate Religious Education, English, Health, Science and Humanities. In addition students study Mathematics and Physical Education. Students will study THREE elective units from the Arts, Humanities and Science / Technology areas.

Place a number beside those electives you wish to do in order of preference.

Choose FOUR from each Group. Because of timetable and class size restrictions we cannot guarantee all students will get their first two preferences. By indicating 4 preferences we can allocate you to another class if your first 2 preferences are not available. No student will be allocated a subject outside their priorities without the opportunity to discuss their choices.

Remember if you choose Italian or Indonesian, put it as choices 1 and 2 as you need to study it BOTH semesters and you will do no other units in this group.

Please return this sheet to your Homeroom Teacher by **Wednesday, September 14, 2011**.
